December Outing - Attenborough Nature Reserve

Saturday 4th December 2010

Meeting at the Attenborough Nature Reserve car park at 0900. This complex of flooded gravel pits and islands covers 145 hectares and provides an ideal habitat for a wide range of plants, birds and other wildlife. The nature reserve is designated as a Site of Special Scientific Interest (SSSI). Our focus will be on the wintering wildfowl.

Directions:

The Reserve is situated just off the A6005 between Beeston and Long Eaton. Turn on to Barton Lane off the A6005 at McDonalds following the brown tourist signs. The Car Park is situated at the bottom of Barton Lane.

To book a place please contact Andrew Cliff no later than Monday 29th November 2010
